OPR request

Mr. Jerry A. Davis, Acting Counsel

12/3/79

Dear Mr. Davis,

Your 11/29/79 letter in response to my PA request states that your office has only the FOIA request filed on my behalf by Jim Lesar and my complaint against SA Thomas Wiseman. You ask me to advise whether I desire copies.

Each required that there be some other record or records. I do desire copies of all records, please.

It appears that your office has a more tolerant view of untruthful and sworn representations made to the courts than I do. I do not know what if any data was considered at the time of my complaint but I do inform you that much more is now available and some of it is also under oath.

Sincerely,

Harold Weisberg
